Long-term ESC project „OPEN WINGS”

Duration:
12 months
until
30/05/2024

„WIATRAK” FOUNDATION

The “Wiatrak” Foundation is a public benefit organization whose main idea is to implement the teachings of Saint John Paul II, about human development on four levels: physical, mental, intellectual and spiritual.

The best projects start with the best basics!

We can split our activities to five fundamental parts:

Education

Culture

International cooperation

Social integration

Psychological advisory

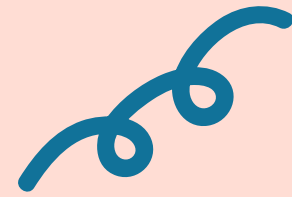

Our Mission

- Helping people with disabilities at the „Workshop Therapy Center” of „Wiatrak” Foundation
- Taking an active part in the lessons at the kindergarten „U Karolka” and "Pod Sosnami"
- Assisting the institute of „Center of the Catholic Culture” with organising events and workshops
- Helping people with disabilities developing their social and personal skills in Day-care Center "Pinokio"
- Working with the elderly people at The Senior’s Club
- Taking an active part in the lessons at the Elementary School number 66
